Lax4Community has provided affordable equipment rental programs, player scholarships and program grants to lacrosse players and their families since its establishment in 2019. Thanks to our supporters, we have been able to help over 800 lacrosse players and their families experience the joy of the game. Here's a snapshot of how your participation in this year's tournament will help:

- 2 Golfers fully fund a player's scholarship towards his/her lacrosse season program fees + free equipment rental for a season.
- 3 Foursome Golf Teams fully finance a youth or high school lacrosse program grant worth \$1000 towards lacrosse goals, shooting targets, goalie equipment, balls and/or their own program's player scholarships.
- All sponsors directly reduce our tournament event costs so more \$\$\$ raised are distributed back to local lacrosse programs and player families in need!

The amount of your contribution that is deductible for federal income tax purposes is limited to the excess of money contributed over the fair market value of goods or services provided by the organization.
